SECTION	EXAMS		
EFFECTIVE DATE	SEPTEMBER 2019	REVIEW CYCLE	EVERY 2 YEARS
DATE AMENDED		NEXT REVIEW	FALL 2022

Policy

The CCEB is committed to entry to chiropractic practice examinations structured through an evidence-informed approach. The CCEB shall rely on evidence-informed principles and psychometrically valid methodologies.

Purpose

Recognizing advancements in research and evidence, the CCEB is committed to supporting ongoing best practice in the chiropractic field.

Definitions:

In this policy:

“*Board*” means the Board of Governors of the CCEB.

“*Breach*” means a failure to adhere to the evidence-informed approach in regard to the entry to chiropractic examinations.

“*CCEB*” means the Canadian Chiropractic Examining Board.

“*CEO*” means the Chief Executive Officer (CEO) of the CCEB.

“*Chair*” means the Chair of the Board.

“*evidence-informed*” means the conscientious, explicit and judicious use of

- current best evidence from health science,
- professional experience, and
- patient preference

in making decisions about the care of individual patients.

“*Governor*” or “*Governors*” means a governor or governors of the Board.

Scope

This Policy applies to the Governors, volunteers, contractors and consultants and employees working for the CCEB. It is applicable to all aspects of the CCEB examination.

Responsibility

Approval: The Board is responsible for approving this policy and any changes hereto.

Consequences of non-compliance: Any Breach of this policy may be determined to be misconduct. Any Breach by staff, contractors or volunteers will be reviewed by the CEO; Any Breach by individual Governors will be mutually reviewed by the Board, Chair and CEO. In all cases misconduct may be determined and may result in disciplinary steps being taken, including dismissal from employment or work with the CCEB, prohibition from volunteer activity with the CCEB, or the Board, and/or seeking financial compensation and/or taking action to protect its legal rights.
